- 4) Australia is gone, Europe is gone, Great Britain is gone, no one can criticize their government.
- 5) The elections of 72 countries are being controlled thru Venezuela along with supply lines of heavy drugs.
- 6) We must go to hand count ballots!
- 7) France does it with no problems.
- 8) We must get rid of the machines used in our elections.
- 9) The mid term elections are pivotal.
- 10) Phone chip on election machine motherboards connect all voting manipulation.
- 11) I think it is Bexar County Texas where a running candidate went in for a list of those voters who voted for him. The first day the staff gave him a list of duplicate names and the second day the staff gave him the same list scrubbed.
- 12) The phone chip on the election motherboards is manufactured and controlled through Venezuela, a Serbia Data Center orchestrated by China –
- 13) Dominion voting equipment had chips stamped manufactured in Taiwan however, it is actually made in China.
- 14) Serbia Data Center was allowed to over heat by good guys in 2024 which lost the manipulation of the Trump election helping him to win.
- 15) Data centers are key control in election system.
- 16) This is another reason we must get rid of all election machines and go to hand count.
- 17) We need hand counting in public, both sides win.
